SWISS SOCIETY OF CHARLOTTE
“RACLETTE”
EVENING

My dear friends,

Another year has passed and it is time for another great evening. It is with great pleasure that I announce our next Swiss Event, the Traditional “Raclette” evening. Please come and join us for a great and relaxing evening with friends, tasty cheese, wine and many other goodies. Of course, we will also hold a Raffle just as in the past, with great Raffle prizes to be won! I’m looking forward to a great turn out and please remember, this is our most popular event and seating is limited to 120 people, so all I can say, in order to guarantee a seat at this popular event, make your reservation early! I look forward to seeing the Sardis Swim and Racquet Club filled to capacity as in past years! With the warmest wishes for a Happy Holiday Season and a Happy New Year!
